Dear Vice-Presidents, Directors, Heads of the International Relations Office
AUN Member Universities

Subject: Call for Application “Winter Seminar on Human Security Development and Energy Science”

“Winter Seminar on Human Security Development and Energy Science” is co-organised by the Graduate School of Energy Science (GSES) of Kyoto University and the ASEAN University Network-Kyoto University (AUN-KU) Student Mobility Program toward Human Security Development. It is designed for undergraduate students to study the concept of Human Security Development (HSD) and Energy Science. The main theme of this seminar is energy science, which is an important issue for Human Security Development. The participating students are expected to expand and deepen their knowledge on human security development and energy science with the prospect of exploring solutions to technological, socio-economic and political issues, focusing on the Asian region. The seminar will offer lectures and class discussions as well as organised field trips and networking events. Applicants from all fields are welcome.

The seminar will be organised on 8 - 20 January 2018 at Kyoto University, Japan.
