

ERASMUS+ STUDENT AND ALUMNI ASSOCIATION

Erasmus+ Opportunities For university students and staff

By Chaidarun Tippawan

Team Leader of Erasmus+ Promotion Working Group

Erasmus+ Student and Alumni Association

Key Actions

ERASMUS+ PROGRAMME

MOBILITY OF INDIVIDUALS

- Mobility of learners and staff
- Erasmus Mundus Joint Master's Degree
- Erasmus+ Master's Loans

COOPERATION FOR INNOVATION

- Transnational strategic partnerships
- Knowledge alliances
- Capacity-building
- IT support platforms

SUPPORT FOR POLICY REFORM

- Knowledge in the fields of education
- Initiatives for policy innovation
- Support to European policy tools

JEAN MONNET

SPORT

WHAT IS ERASMUS+?

Previous Programs 2007–2013

- Lifelong Learning Program
- Youth in Action
- Alfa
- Edulink
- Erasmus Mundus
- Tempus
- Cooperation with industrialized countries

ONE INTEGRATED
PROGRAM

ERASMUS+

Why Erasmus+?

- Studying abroad is a central part of Erasmus+ and has been shown to have a positive effect on later job prospects.
- It is also an opportunity to improve language skills, gain self-confidence and independence and immerse yourself in a new culture.
- Erasmus+ also offers the chance to combine studying abroad with a traineeship.
- Opportunities are available for students at Bachelor, Master or Doctoral levels.

ERASMUS+ STUDENT AND ALUMNI ASSOCIATION

Erasmus+ Programme

Opportunities for Students

DEGREE MOBILITY

Erasmus Mundus Joint Master Degrees (EMJMD)

EMJMD: Overview

- Integrated and international study programme, jointly delivered by an international consortium of HEIs (at least 3 HEIs)
- EU-funded scholarships under annual selection rounds
- Study in at least two of the Programme countries
- Part of the studies in a Partner countries if a partner-country institution involved
- A study programme of 60, 90 or 120 ECTS credits (from 12 months to 24 months)

EMJMD: Overview

- Students at Master's level worldwide can apply.
- Obtain a first higher education degree or demonstrate a recognised equivalent level of learning, according to national legislation and practices, in the degree awarding countries
- Successful completion leading to the award of...
 - **a joint degree**
 - one single degree certificate issued on behalf of at least two HEIs of the EMJMD consortium
 - **multiple degrees**
 - at least two degree certificates issued by two HEIs of the consortium

EMJMD: Financial Support

- Be admitted onto the course by the organising consortium and then be selected for an EMJMD scholarship
- EMJMD scholarship covers participation costs
 - tuition fees
 - library and laboratory costs
 - full insurance coverage
 - any other mandatory costs
 - a contribution to your travel and installation costs
 - a monthly subsistence allowance for the entire duration
- Total amount of the scholarship varies according to the duration of course and nationality (larger scholarships for non-EU students)

EMJMD: How to Apply

- Consult the online EMJMD Catalogue and contact the consortium offering the Master Course for more information on courses and application procedures.
- A new batch of selected EMJMDs is added to the list each summer.
- Most consortia will require applications to be submitted **between October and January**, for courses starting the following academic year.
- Students at Master level can apply to **a maximum of three** different programmes. (101 programmes for 2017/18)

EMJMD: Agriculture and Veterinary

- ACES - Joint Masters Degree in Aquaculture, Environment and Society
- EUCOMOR - European Master in Comparative Morphology
- IDOH - International Master of Science in Infectious Diseases and One Health
- IMBRSea - International Master in Marine Biological Resources
- IMRD - International Master of Science in Rural Development
- MScEF - MSc European Forestry
- PlantHealth - European Master degree in Plant Health in Sustainable Cropping Systems
- VINIFERA EuroMaster - European Master of Science of Viticulture and Enology
- WINTOUR - EMJMD on Wine Tourism Innovation

VINIFERA EuroMaster - European Master of Science of Viticulture and Enology

Consortium of HEIs:

- Montpellier SupAgro & ENITA-Bordeaux, France
- Geisenheim University, Germany
- Universities of Turin, Milan, Palerm, Foggia and Sassari, Italy
- Universities of Lisbon and Porto, Portugal
- Polytechnic University of Madrid, Spain

Programme mobility:

- 1st year, held at Montpellier Supagro (Sept - May) and Bordeaux Sciences Agro (June), France
- 2nd year, students have to choose a hosting country among the Consortium
- part of 2nd year = Master thesis preparation, professionally or research oriented, inside or outside of Europe, depending on the relevance of the Master project

EMJMD: Engineering, Manufacture and Construction

- AMASE - Joint European Master Programme on Advanced Materials Science and Engineering
- CoMEM - Erasmus Mundus MSC Coastal and Marine Engineering and Management
- EM3E4SW - Erasmus Mundus Master in Membrane Engineering for a Sustainable World
- EMERALD - Master Course in Georesources Engineering
- EMMCMSP - Erasmus Mundus Master Course on Maritime Spatial Planning
- EMM-Nano - Erasmus Mundus Master in Nanoscience and Nanotechnology
- EMSE - European Masters Programme in Software Engineering
- EMSHIP - European Education in Advanced Ship Design
- EuroAqua+ – Euro HydroInformatics and Water Management
- EUROPHOTONICS - Master in Photonics Engineering, Nanophotonics and Biophotonics

EMJMD: Engineering, Manufacture and Construction

- EU4M - EMMC Mechatronic Engineering
- FIPDes- Erasmus Mundus Joint Master Degree in Food Innovation & Product Design
- IMFSE - International Master of Science in Fire Safety Engineering
- MAMASELF - Master in material science exploring European large scale facilities
- MATHMODS - Mathematical Modelling in Engineering: Theory, Numerics, Applications
- MEEES - Masters in Earthquake Engineering and Engineering Seismology
- MUNDUS URBANO - Master of Science in International Cooperation and Urban Development
- SPACEMASTER - EMMC in Space Science and Technology
- STEPS - Erasmus Mundus Joint Master Degree in Sustainable Transportation and Electrical Power Systems
- TRIBOS - Joint European master in tribology of surfaces and interfaces

AMASE - Joint European Master Programme on Advanced Materials Science and Engineering

Consortium of HEIs:

- Saarland University, Germany
- Luleå Technical University, Sweden
- Barcelona Tech, Spain
- Université de Lorraine, France

Programme mobility:

- Students attend courses at two of the universities in the Consortium.
- 1st + 2nd Semester: Students spend the first two semesters at their chosen Entrance University.
- 3rd Semester students select one of the other three partner universities.
- 4th semester: Students write their Master thesis at one of the two chosen universities.

EMJMD: Health and Welfare

- ADVANCES - MA Advanced Development in Social Work
- ARCHMAT - European Master in ARCHaeological MATerials Science
- BIFTEC - European Master of Science in Food Science, Technology and Business
- EMCL+ - European Master in Clinical Linguistics+
- EMPHID - Public Health in Disasters
- EPH+ - EuroPubHealth Plus (European Master in Public Health)
- IDOH - International Master of Science in Infectious Diseases and One Health
- IMIM - International Master in Innovative Medicine
- IMRD - International Master of Science in Rural Development
- LIVE - Leading International Vaccinology Education
- MAIA - Medical Imaging and Applications EMJMD
- MAISI - Erasmus Mundus Joint Master Degree in Sports Ethics and Integrity
- NANOMED - Nanomedicine for Drug Delivery [English Website](#)
- TPTI - Techniques, Patrimoine, Territoires de l'Industrie

IDOH - International Master of Science in Infectious Diseases and One Health

Consortium of HEIs:

- Université de Tours, France
- Universitat Autònoma de Barcelona, Spain
- University of Edinburgh, United Kingdom

Core courses:

- infectious diseases emphasising humans, animals and the environment
- 4 semesters of 30 ECTS credits each -> 2 years of 120 ECTS credits

Number of enrolments:

- A maximum of 24 students in each intake, ensuring that all students receive the highest level of teaching and interactions with staff at all three institutions

EMJMD: Humanities and Arts

- ACES - Joint Masters Degree in Aquaculture, Environment and Society
- Dyclam - Dynamics of cultural landscapes and heritage management
- EMCL+ - European Master in Clinical Linguistics+
- EMGS - Global Studies - A European Perspective
- EMLex - Europäischer Master für Lexikographie / European Master in Lexicography
- EMMA - Erasmus Mundus Masters in Journalism, Media and Globalisation
- GLOBAL - Global Markets, Local Creativities
- IMSISS - International Master in Security, Intelligence and Strategic Studies
- KEM – Kino Eyes –The European Movie Masters – Erasmus Plus Joint Master
- LCT - European Masters Program in Language and Communication Technologies
- MAISI - Erasmus Mundus Joint Master Degree in Sports Ethics and Integrity
- Media AC – Media Arts Cultures
- MIM - Crossing the Mediterranean: towards investment and integration
- VufindR - "Viewfinder" Cinematography Erasmus Mundus Joint Master Degree

EMGS - Global Studies - A European Perspective

Consortium of HEIs:

- Ghent University, Belgium
- University of Leipzig, Germany
- London School of Economics and Political Science, UK
- Roskilde University, Denmark
- University of Vienna, Austria
- Wroclaw University, Poland

Programme mobility:

- 120 credits (30 credits each term), equivalent of a study workload of 900 hours per term or 1,800 hours a year
- Students decide to choose HEI depending on their research interests
 - @Ghent: world history and political economy of global capitalism, global governance and global justice
 - @LSE: economic and social history
 - @Wroclaw: transformation processes in Central and Eastern Europe

EMJMD: Social Sciences, Business and Law

- 4CITIES - UNICA Euromaster in Urban Studies
- BIFTEC - European Master of Science in Food Science, Technology and Business
- CARTO – E+ JMD Cartography
- CLE - Master Erasmus Mundus en Cultures Littéraires Européenes
- CoDe - Joint European Master in Comparative Local Development
- EACH – Excellence in Analytical Chemistry
- EM HRPP - Erasmus Mundus Masters in Human Rights Policy and Practice
- EMGS - Global Studies - A European Perspective
- EMLE - European Master in Law and Economics
- EMMA - Erasmus Mundus Masters in Journalism, Media and Globalisation
- EMMIR - European Master in Migration and Intercultural Relations
- EMSD - European Master programme in Systems Dynamics
- EMTM - European Master in Tourism Management

EMJMD: Social Sciences, Business and Law

- EPH+ - EuroPubHealth Plus (European Master in Public Health)
- EPOG - Master's Course - Economic Policies in the age of Globalisation : knowledge, finance and development
- ESTeDe - Extended Sustainable Territorial Development
- EUPADRA - Parliamentary Procedures and Legislative Drafting
- GLOCAL - Global Markets, Local Creativities
- GLODEP - EMJMD International Development Studies
- GLOBED – Education Policies for Global Development
- Global-MINDS – European Master in the Psychology of Global Mobility, Inclusion and Diversity in Society
- IMAESC - International Master in Adult Education for Social Change
- IMIM - International Master in Industrial Management
- IMSISS - International Master in Security, Intelligence and Strategic Studies
- IMQP - International Master in Quaternary and Prehistory Master International en Quaternaire et Préhistoire

EMJMD: Social Sciences, Business and Law

- IMRD - International Master of Science in Rural Development
- MAISI - Erasmus Mundus Joint Master Degree in Sports Ethics and Integrity
- MATHMODS - Mathematical Modelling in Engineering: Theory, Numerics, Applications
- MEGEI - MA Economics of Globalisation and European Integration
- MFAMILY - European Master in Social Work with Families and Children
- MIM - Crossing the Mediterranean: towards investment and integration
- NUPHYS - Erasmus Mundus Master Joint Degree Nuclear Physics
- PIONEER - Erasmus Mundus Master of Science in Public Sector Innovation and eGovernance
- SERP+ - Joint European Master in Surface, Electro, Radiation and Photochemistry +
- WINTOUR - EMJMD on Wine Tourism Innovation
- WOP-P - Master in Work, Organizational and Personnel Psychology

EMLE - European Master in Law and Economics

Consortium of HEIs:

- Aix-Marseille Université, France
- Università di Bologna, Italy
- Ghent University, Belgium
- University of Haifa, Israel
- Universität Hamburg, Germany
- Erasmus University Rotterdam, Netherlands
- Universität Wien, Austria
- Warsaw School of Economics, Poland

Programme mobility:

- one academic year, 60 ECTS points, divided into three terms; from the beginning of October and end in June
- Study at up to three different universities but cannot spend all terms in the same location

EUROPEAN MASTER
IN LAW & ECONOMICS

EMJMD: Science, Mathematics and Computing

- ASC - Advanced Spectroscopy in Chemistry Master's Course
- ASTROMUNDUS – Astrophysics
- BDMA - Big Data Management and Analytics
- CARTO – E+ JMD Cartography
- ChIR - Erasmus Mundus Master in Chemical Innovation and Regulation
- COSI – Colour in Science and Industry
- DCLead – MSc & MA in Digital Communication Leadership
- EACH – Excellence in Analytical Chemistry
- EM3E4SW - Erasmus Mundus Master in Membrane Engineering for a Sustainable World
- EMARO+ - European Master on Advanced Robotics +
- EMECS - European Masters programme in Embedded Computing Systems
- EMM-Nano - Erasmus Mundus Master in Nanoscience and Nanotechnology
- EMQAL - European Joint Master in Quality in Analytical Laboratories
- EMSE - European Masters Programme in Software Engineering
- EPH+ - EuroPubHealth Plus (European Master in Public Health)
- EuroAquae+ – Euro HydroInformatics and Water Management

EMJMD: Science, Mathematics and Computing

- ESTeDe - Extended Sustainable Territorial Development
- EUCOMOR - European Master in Comparative Morphology
- EUROPHOTONICS - Master in Photonics Engineering, Nanophotonics and Biophotonics
- FIPDes- Erasmus Mundus Joint Master Degree in Food Innovation & Product Design
- GeoTec - Master of Science in Geospatial Technologies
- GroundwatCH - Groundwater and Global Change - Impacts and Adaptation
- IDOH - International Master of Science in Infectious Diseases and One Health
- IMAE - International Master in Applied Ecology
- IMBRSea - International Master in Marine Biological Resources
- IMSISS - International Master in Security, Intelligence and Strategic Studies
- LCT - European Masters Program in Language and Communication Technologies
- MAIA - Medical Imaging and Applications EMJMD
- MAMASELF - Master in material science exploring European large scale facilities
- MATHMODS - Mathematical Modelling in Engineering: Theory, Numerics, Applications
- MCM - Master of Science in Computational Mechanics

EMJMD: Science, Mathematics and Computing

- ME3 - European Joint Masters in Management and Engineering of Environment and Energy
- MEME - Erasmus Mundus Master Programme in Evolutionary Biology
- MEREMMC - European Msc in Marine Environment and Resources
- MONABIP - Molecular Nano- and Biophotonics
- NEURASMUS - A European Master in Neuroscience : Advanced Course and Research Training
- NUPHYS - Erasmus Mundus Master Joint Degree Nuclear Physics
- PERCCOM - PERvasive Computing & COMmunications for sustainable development
- PIONEER - Erasmus Mundus Master of Science in Public Sector Innovation and eGovernance
- QEM - Models and Methods of Quantitative Economics
- SPACEMASTER - EMMC in Space Science and Technology
- SSI - Joint International Master in Smart Systems Integration
- SERP+ - Joint European Master in Surface, Electro, Radiation and Photo-chemistry +
- TCCM - Euromaster on Theoretical Chemistry and Computational Modelling
- TROPIMUNDO - Erasmus Mundus Masters Course in Tropical Biodiversity and Ecosystems

NUPHYS - Erasmus Mundus Master Joint Degree Nuclear Physics

Consortium of HEIs:

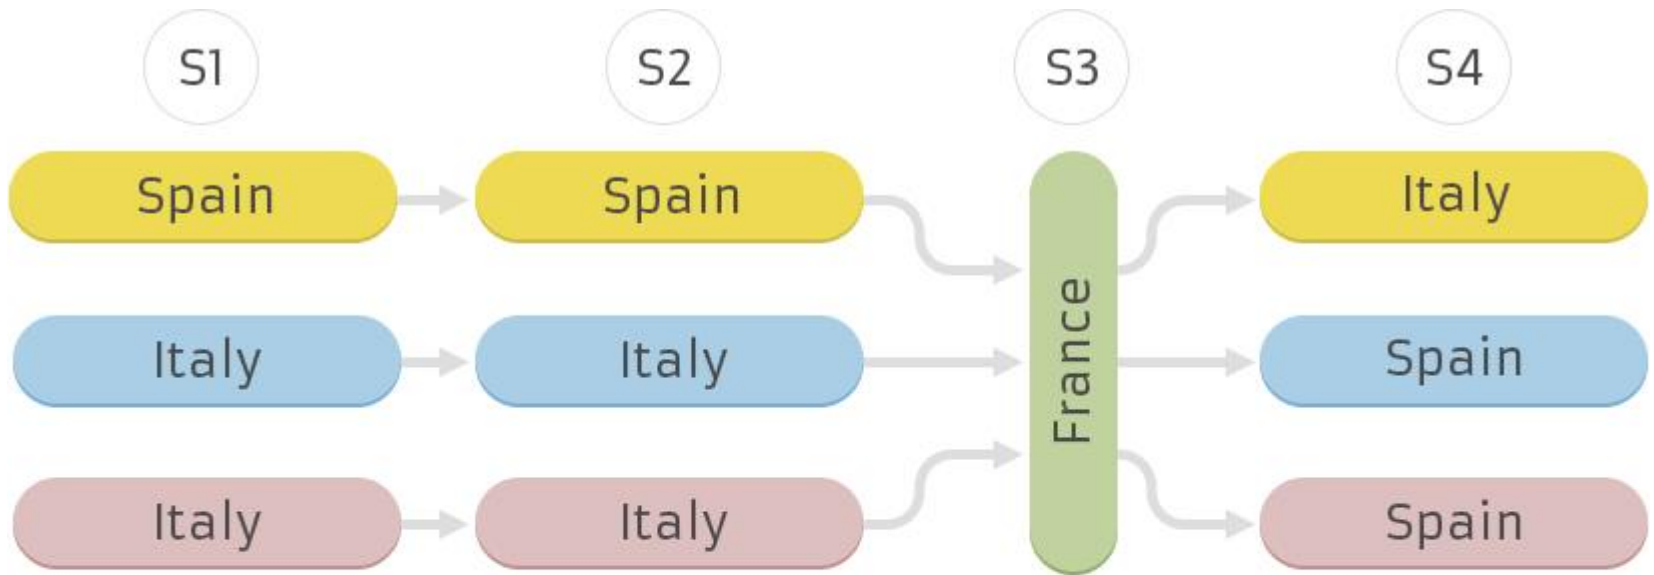

- Spanish Universities:
 - Seville, Autónoma de Madrid, Barcelona, Complutense de Madrid and Salamanca
- University of Caen Normandie (UNICAEN), France
- Italian Universities:
 - Padova and Catania

Programme mobility:

- 2 years, 120 ECTS credits, divided into four terms
- Up to 25 students for each cycle of Master

NUPHYS - Erasmus Mundus Master Joint Degree Nuclear Physics

- Path 1: Experiments and large accelerators
- Path 2: Theoretical nuclear physics
- Path 3: Applications and small accelerators

ERASMUS+ STUDENT AND ALUMNI ASSOCIATION

Erasmus+ Programme

Opportunities for Students

CREDIT MOBILITY

E+ Credit Mobility: Overview

- Student and doctoral candidate exchanges within Erasmus+ Programme countries and to and from Partner countries
- Improve your communication, language and inter-cultural skills and gain soft skills highly valued by future employers
- Opportunities available to students at Bachelor and Master levels and Doctoral candidates
- Students with physical, mental or health-related conditions may apply for additional funding after being selected to study abroad
- Study period from a minimum of 3 months (or 1 academic term or trimester) to a maximum of 12 months

E+ Credit Mobility: Overview

- Must be registered in a HEI and enrolled in studies leading to a recognised degree or tertiary-level qualification
- Your period of study abroad must be relevant for your degree-related learning and personal development needs, and be part of the study programme that you are following.
- Your home institution and the receiving institution must have an inter-institutional agreement between them for you to study there with Erasmus+.

E+ Credit Mobility: Credit Recognition

Before the study abroad period:

- Must sign a **Learning Agreement for Studies** to ensure a transparent and efficient preparation of the exchange abroad, as well as to agree on how activities successfully completed abroad will be recognised.
- You will receive the **Erasmus+ Student Charter**, explaining your rights and obligations with respect to your period of study abroad.

After the study abroad period:

- The receiving HEI must provide you and your sending institution with a transcript of records confirming that the agreed programme has been completed and acknowledge the results.
- Your HEI must recognise the credits (using ECTS credits or an equivalent system) as agreed in the Learning Agreement before the mobility and count them towards your degree, without any further requirements

E+ Credit Mobility: Financial Support

- Receive an Erasmus+ grant as a contribution to travel and subsistence costs, varying in living costs, the number of students applying for a grant, the distance between countries and the availability of other grants
- Grant levels and fixed rates for exchanges between Programme and Partner countries are published in the Erasmus+ Programme Guide.
- As an Erasmus+ student, you will be exempted from tuition fees, registration, examinations, and charges for access to laboratories or libraries at the receiving HEI.
- Eligible for additional grants from your HEI, government or other sources.
- Apply through the international or Erasmus+ office of your HEI. Selected by your sending HEI in a fair and transparent way.

ERASMUS+ STUDENT AND ALUMNI ASSOCIATION

Erasmus+ Programme

Teaching/Training Opportunities for Staff

Teaching Opportunities for Staff

- Spend time teaching/training at an institution in an Erasmus+ Programme or Partner country
- Teaching/training period between a minimum of 5 days and a maximum of 2 months, excluding travelling time, a minimum of 8 hours per week of actual teaching time
- Your institution must have signed an inter-institutional agreement with the receiving institution.
- Sign a Mobility Agreement - setting out your learning goals, rights and responsibilities and also how the teaching/training period be recognized
- Apply for a grant via your HEI. HEIs select candidates for teaching/training periods abroad from their staff.

ERASMUS+ STUDENT AND ALUMNI ASSOCIATION

Horizon 2020

Marie Skłodowska-Curie Actions (MSCA)

Grants for researchers and doctoral candidates

Marie Skłodowska-Curie Actions (MSCA)

- ❖ Grants for all stages of researchers' careers - be they doctoral candidates or highly experienced researchers - and encourage transnational, intersectoral and interdisciplinary mobility.
- ❖ MSCA enable research-focused organisations (universities, research centres, and companies) to host talented foreign researchers and to create strategic partnerships with leading institutions worldwide.
- ❖ Aim to equip researchers with the necessary skills and international experience for a successful career, either in the public or the private sector, offering them attractive working conditions and the opportunity to move between academic and other settings.
- ❖ Open to all domains of research and innovation, from fundamental research to market take-up and innovation services.

Marie Skłodowska-Curie Actions (MSCA)

TYPES OF MSCA

- ❖ **Innovative Training Networks (ITN):** Structured doctoral training for early-stage researchers based on cross-sector and cross-border partnerships
- ❖ **Individual fellowships (IF):** Individual cross-border fellowships for the most promising experienced researchers
- ❖ **Research and Innovation Staff Exchanges (RISE):** International and inter-sectoral collaboration through exchange of staff working on a joint research project
- ❖ **COFUND:** Co-funding of regional, national and international programmes that finance fellowships involving mobility to or from another country
